457 Deferred Compensation Plan

IMPORTANT NOTICE TO PLAN PARTICIPANTS

The OAPFF has received notification that as of August 16, 2021, Palanca & Associates are no longer providing education and advisory services for the OAPFF Deferred Compensation Plan.

This change in service provider will not impact any individual account, current deferrals, payroll contributions, loan repayments, or other administrative functions of the Plan. Those will continue as they have prior to the departure of Palanca & Associates.

The Program Control Committee is currently in the process of reviewing proposals submitted to fill this position. During the interim, should you need any assistance, please contact a Prudential representative at 1-877-778-2100 or online through the Participant website at www.prudential.com/online/retirement.

Additionally, participants may schedule a 30-minute virtual / online session with a Registered Prudential Retirement Counselor who can assist you with whatever needs you may have regarding your account. Visit www.prudential.com/virtualcoach to book an appointment date/time that works for you.

Finally, if you would like to speak with me directly about the Plan or your specific account, my contact information is listed below.

Fraternally,

William E. Quinn
