Investment Allocation

(Please fill out Option I, Option II, or Option III. Do not fill out more than one option.)

Fill out Option I, Option II, or Option III. **Please complete only one option.**

By completion of Option I or Option II you enroll in GoalMaker, Prudential's asset allocation program, and you direct Prudential to invest your contribution(s) according to a GoalMaker model portfolio that is based on your risk tolerance and time horizon. You also direct Prudential to automatically rebalance your account S according to the model portfolio chosen. Enrollment in GoalMaker can be canceled at anytime.

Please refer to the Get Started Guide for more information on rebalancing and age adjustment.

Option I or Option II must be completed accurately, otherwise your investment allocation will be placed in GoalMaker with age adjustment.

Option III must be completed accurately and received by Prudential **before** assets are accepted; otherwise, contributions will be placed in the default investment option selected by your plan. Upon receipt of your completed enrollment form, **all future** contributions will be allocated according to your investment selection. You must contact Prudential to transfer any **existing** funds from the default option.

In applying particular asset allocation models to your individual situation, you should consider your other assets, income, and investments (e.g., equity in a home, Social Security benefits, individual retirement plan investments, savings accounts, and interests in other qualified and non-qualified plans) in addition to your interests in the plan.

There are other designated investment alternatives that have similar risk and return characteristics available and can be viewed in the "design your own allocation section" of this form. More information on these investment alternatives is available by logging on to prudential.com/online/retirement or by calling the number listed on this form.

Instructions For Choosing Your Beneficiary

Please print using blue or black ink. Keep a copy for your records and send the original form to the address above or fax to 1-866-439-8602.

General Provisions

Any benefit that will be payable upon your death will be made to the person(s) named on the attached beneficiary form. Please be careful in completing the form; be sure that your designation is accurate, clear and understandable.

- A. The terms of the contract govern the payment of any benefit.
- B. Primary beneficiary(ies). If more than one person is named, payment will be made in equal shares to the Primary beneficiary(ies) who is living at the time the benefit first becomes payable. If a percentage is indicated and a Primary beneficiary(ies) is not alive at the time the benefit first becomes payable, the percentage of that beneficiary's designated share will be divided equally among the surviving Primary beneficiary(ies).
- C. If there is no Primary beneficiary(ies) living at the time of the participant's death, any benefit that becomes payable will be distributed to the surviving Secondary beneficiary(ies) listed, if applicable.
- D. Payment to Secondary beneficiary(ies) will be made according to the rules of succession described under Primary beneficiary(ies) in provision B above.
- E. If no designated beneficiary(ies) is alive when payment is otherwise payable, payment will be made in accordance with the contract.
- F. If the option to purchase an annuity is available, once payments have begun, any settlement of any amount thereafter payable shall be governed by the terms of such annuity.
- G. If a Trust is named as beneficiary, any payment to the Trust will be made as if the Trustee is acting in such fiduciary capacity until written notice to the contrary is received.

Examples of Beneficiary Designations

If you feel that none of the examples below fit the type of beneficiary designation you want, please send a detailed description of what you propose to Prudential.

Use the term:

1. **"My Living Children"** if you want all your children (born or adopted of any marriage) living at the time of payment to equally share the benefit. This will also include all such children born or adopted after you completed the form. Do not include the names of your children if you use this term.
2. **"My Living Trust"** if you want to designate your Living Trust. You must also give the name(s) of the Trustee(s), name(s) of the successor Trustee(s) (Trustee and Successor Trustee cannot be the participant), the date of the Trust Agreement and the address if a bank or trust company is the Trustee.
3. **"My Testamentary Trust"** if you want to designate the Trust in your Last Will and Testament. Do not name your Trustee.
4. **"My Estate"** if you want the benefit to be paid to your estate.
5. **"(Name), Per Stirpes"** if you want the payment(s) to be paid up to and including the second generation of descendants. For example, if a beneficiary in such class is not living when a payment is due, such payment will be made in equal shares to any living sons and daughters (born or adopted of any marriage), of such beneficiary. If there are no living sons and daughters of such beneficiary when a payment is due, payment will be made to the estate of the last to die of the participant or such beneficiary. An example of a correct designation would be Jane Doe, Per Stirpes.
