

**OHIO ASSOCIATION OF
PROFESSIONAL FIRE FIGHTERS**

The Ohio Association of Professional Fire Fighters (OAPFF) proudly partners with Retirement Plan Advisors (RPA) – the fiduciary advisor and member service team for the OAPFF 457(b) Deferred Compensation Retirement Plan.

RPA is an independent federally registered investment adviser dedicated to public sector retirement plans. They bring extensive experience with 457(b) plans, currently serving 550+ public sector employers with more than 88,000 participants and \$5.7 billion in plan assets. RPA understands Ohio's Professional Fire Fighters and is uniquely qualified to help you, our members, build a financially secure retirement.

The OAPFF Program Control Committee works closely with RPA to ensure our 457(b) Deferred Compensation program remains highly competitive. And your RPA service team works closely with you, helping you and your family plan for retirement via group education sessions and one-on-one financial planning meetings including personalized advice. RPA stands shoulder-to-shoulder with the OAPFF and with you as a fiduciary, offering unbiased investment advice while always acting in the best interest of the plan and members.

The Program Control Committee appreciates your ongoing support and continued participation in the OAPFF 457(b) retirement plan. Our partnership with RPA has catapulted our program to the next level, enhancing our members' retirement security. If you as a member ever have a question about any aspect of the OAPFF 457(b) Deferred Compensation Retirement Plan, please contact me, your District VP, or any of the Program Control Committee members.

Fraternally,

Bill Quinn
Executive Director, OAPFF Deferred Compensation Plan
